

To prospective clients of Gift Haven

Renee from Gift Haven has been an absolute pleasure to work with and I would definitely recommend her services to anyone.

The attention to detail Renee has provided right from our initial meeting has followed constantly through the service, products and advice.

She has added value to our settlement gifts by using quality products and matching our company colours to suit. We really enjoy working with Renee and look forward to a long future.

Yours sincerely

Judy Weckert - Personal Assistant to Valerie and Adam Timms
